LONGING

The vibrant show was one of the best I've ever
seen. Because you were there, & I got to see
you at your best. To see you happy. It feels good
to ~~see you~~ see you be loved, feel love, and give
love into the entire atmosphere. There were
several loud, vibrant spirits in the air, but yours
~~made~~ made my heart scream out because
your love is the LOUDEST in my heart. I ache
for your face. Sounds lame but it's true. I am
better off watching you from a distance ^{where}
your love fills the air as the smoke ^{fills}
high and low at the same time. ^{where you are} ^{feel so every} ^{soul}
My heart beats loud, because of how loud your love
is. ~~It's~~ ^{It's} ~~hard~~ ^{hard} to explain.
It's ~~that~~ ^{that} attracts me, loud as in vibrant,
full of light, sparkling out through your beautiful
smile. Seeing you dance, love on your friends,
even a stranger. I saw the child I used to know
again. The child that knew how to smile, to be funny,
to pour out your soul into what you love, who you are
the most, ~~and~~ it can be overwhelming sometimes.
I just can't help it when my heart flutters while you
were on the dance floor. It's just how I remember you
when you were a child. Your youth is still alive, and
that's what I can't escape from. ~~To~~ ^{To} whom
over you love, it's the sweetest child I know that
stays young, baring much fruit: reach out your hand to
also another, ~~your~~ ^{like your heart} ~~strong~~ ^{as you} ~~but~~ ^{ms} ~~so~~ ^{short}
when in them. I was twice 4 seconds in total. Painfully ~~short~~
~~Now~~ ^{Now} I wished it could last forever. ~~Forever~~ ^{Forever}
if not longer. Maybe in another life.

Love cannot be
real if my Autism is,
Love cannot exist
or fails to in this realm.

Too bad I was loved
by your heart to short
in time I felt like a dream.

I'm OK
with being
gone
forever

If there is no love,
there is no life.

And no life is feeling
dead, ^{It's} only natural
wanting to die.

In time, we will be
together again... in a better place ♡

MY

THIS LIFE

2/23

I need my brain for creat. I live out
 my pass. I need my brain to survive. I function
 on bus. I need to breathe. I need to eat, sleep, think.
 I just processes information differently. I think I
 I've always been different. A lot of people run away from
 my difference like its the plague or something. Because of
 my brain that I think different, say words that make no
 sense to the neurological minds of others. My brain makes me
 smart & brilliant imaginatively/creatively, but at the same time
 makes me suffer every day. Why did God make me this way?
 I feel wrong. I was born wrong. I'm told that I have the
 wrong perspective or think wrong ideas about my reality.
 I can't be consistent w/ anything since I left school.
 And since Syddred - ~~all~~ all my efforts feel meaningless
 cause I don't work enough, don't make enough, don't do enough.
 I can't sleep right. I can't eat right. My brain taunts me.
 My thoughts are an ever ending Abyss. A DARK ONE.
 I'm not eating 3 meals a day like I'm supposed to. Not on
 the job search like I'm supposed to (action). I've been doing well
 at preparing myself to die. I want to die. This life has so
 much difficulty for me to accept. People have trouble accepting me in
 their lives b/c I'm difficult to understand. I'm just too different.
 I have to have friends like Nikki, she is all I have to share
 everything and she doesn't isolate me. She keeps me. The closest
 thing to NIK was Syd, Syd understood me, but no one else
 did or could. She would comfort me & knew what I was
 saying a word, she knew. I'm much more rare than people think or know. She knew that
 too. No chance of that w/ reality for me.

And in that I - I was someone - felt appreciated because I was
 able to exist through her mind at that time. I will exist. If
 people love me, not use me, or choose to ignore my rarity & if they
 ever wished to see it, they'd have more friends. But I don't
 I'm 27. My youth is resting in the Abyss. I want to take a rest
 with it - w/ all my dreams. My dreams cannot be here, I must
 die. But I feel too bad. Hurt too much. Sad all the goddamned
 time. Either I have too much estrogen, or I'm just a sad lonely
 fool. Relentless, going, everyday sadness. Exposure
 would relate on many levels. I belong in the imaginary world
 where I exist. Characters exist on perspective of
 my brain. I'm a character. I'd be happy anywhere
 Out with - in a body that is destined to rot someday.
 I hope that I have no one to talk to, no one of
 more than I. I talk to myself. I'm with myself all the time.
 I can only see what people share on a public level. Levels
 of deep connection I will never have in this realm. I only
 observe and they have things I don't have. I
 have things others don't have. Human existence will
 never seek full contentment. I know hard work will earn dreams. But
 I don't want a free golden start to an opportunity new life. I just
 want another life beyond this realm. God damn it how trapped
 I am in myself that can't get along or understand how life should
 or could work & to do it on my own. It's simple, yet everything
 to me of adult life sucks - more complicated than it is.
 Death is simple. My brain is so simple. I seem to notice me
 the real me. All of me. If I can't exist here, I exist
 somewhere else. Anywhere but here. Here is where there is no
 animals & creativity. I nose forms & see me. I appear
 them. I don't exist anywhere else.

Being me sucks...

It shouldn't be a problem getting up at 7 every morning.
But unfortunately, for me, it is. I've missed several morning
orders this week. I missed 3 today. Gosh, whyyy??!
I hate myself for not motivating myself get up. It's money going
to someone else who actually works consistently + gets
more consistent pay. Not me. The morrow of life is hollow.
I swallow bones instead cause I'd rather die hard than
try to live better life while suffering to do so. I'm ~~not~~
repeat my same patterns - can't sleep routinely, or eat,
or stick to be more strict on myself. Do I really not give
a fuck? I hate waking up that I'm still here but no one
gives a fuck if I am. No, I mean, no one will think
my life means something after I die. No one by no friends
but who are around my age or 3 yrs older. None of this
shit will matter to them once I'm dead. If I don't care myself
to live, then who way they will even notice when I'm gone.
It meant nothing to them alive; it won't after death. (Sure as fuck)

Male person → my autism?

was actually identified as a male today and it felt right but the arrest of my female body. I SHOULD NOT BE IN THIS BODY!!

The guy who runs the comic shop is cool and he ~~even~~ has friendly customer service skills. He really knows his stuff and treats all the guys fairly. I like being called bud, bro, and man. It just feels directed ~~more~~ as 100% accurate to ~~who~~ who I am as a guy inside. If only all other men + boys could see me that way. That my body doesn't make me a female 100% more like 5 to none. Some times people do identify me right away as a he since I am smaller and look younger than others my age. It helps, but when I'm called a lady or ma'am - damn it it makes me not want to exist. The body I'm in exists only to me. I'm just damn tired of being called + identified to a gender I am NOT AT ALL. At least I don't have big boobs or a butt, but yet I hate having boobs at all. They might have grown just a bit + I want to die.

The Personality

I looked behind this bastard & it was so disgusting I lost my appetite. I felt sick looking at it. That ugly flannel that looks ugly on it and its hair was the nastiest, ugliest hobo head I've ever seen on it.

this faggot is so goddamned ugly, and I'll
be damned I had to look at this miserable

I ever lay eyes on. No other woman has
touched my heart more than her. The times I
have seen her in person, how I feel like dying b/c
I ~~wish~~ die to be apart of that kind of love. Love
amongst the rarest through my hearts desire.
But my heart knows that I cant be with her, or
have any close connection. At least she would
be able to talk to me a couple seconds, look in
her eyes, look in mine and her hands that
are gentle at the touch-kind & sweet. It makes
me shiver in this ^{of space} ~~caloon~~ ^{my mind} ~~world~~ ^{of a border} ~~land~~, in I
can be a butterfly transformed in another dev.
For all this time of shaking inside to her,
All my inner butterflies of her will fly away w/ me

(Feb.)

The 27th was a beautiful night, just like my brown girl. She looked so beautiful that night, I could not take my eyes off her. Call it lust or pervertedness, I know who I am attracted to, and I can't unchange that. It's like my soul is spell bound to her spirit or something. It ~~is~~ ^{her} ~~her~~ ^{her} personality; personable + the ways she connects w/ keep. makes her so likeable. It's why she has a whole team of supporters, and why she's loved the way she is. I just ~~she~~ ^{she} was more apart of it. So many ~~aspects~~ ^{aspects} I love about her - physical + spiritual. The two will ~~be~~ ^{be} together in harmony. Yes, she's just as beautiful in her heart than her body. But for the life of me I cannot help but gaze into her beauty; her arms, her back, her hips, her ~~hips~~ ^{hips} ~~hips~~ ^{hips}. Every part of her I desire to latch onto. So when her hand layed onto me after the show, it's ~~like~~ ^{like} being touched by an angel.

But my problem is living in hell, my mind + my body is a prison. Anything that triggers ~~me~~ ^{me} only makes ~~me~~ ^{me} worse. She ~~has~~ ^{has} made history that night even if she was nervous and her ~~back~~ ^{back} felt clammy. Only natural to sweat with having a first live show, and she's still beautiful. She knows who she is, and all the rest of the world in time will too. She's famous to me; a star to many. Little ~~do~~ ^{do} they know how we will soon share the same fate. She'll live a legend and I will die a shooter - hopefully ~~to~~ ^{to} be famous. No one will forget neither of us. She will be a blessing, and I will be a horror to inflict pain.

I will make it too

My Imaginary Penis

3/11/23

My penis exists in my head. I swear to god I'm a
male. I think about sexual fantasies, about how if
my dick was real I'd fuck the girl I love in the ass.

I want to know what that's like, but I never will
because I was damned to be poor in this way. I swear
to fuck I hate it so goddamned. It's a fucking curse.

Having a brain like mine has its godliness but also prone
to making poor decisions. Like putting my hidden
name while filling out paperwork for instacart + now my

BB check didn't work + I'm possibly not going to get the god
Fuck me, man. Mom, just says I'm young and young people

felt most like myself. A rare of lat chest made me free. Bill,

prince puberty, imprisoned me. And so does my mind. Puberty +

me as a daughter - and she'd rather to win - to lose that
daughter because a son would be the death of her.

My imaginary penis.

I am not a virgin's daughter? That's not fair, it's selfishness. Just like any rest of the parents with that mindset they are unfair to a child. How could they ever think of their own child suffering, and that they have their gender so bad they can't want to kill themselves? Fuck parents like them who think of themselves first and their preference of ~~conservative~~ conservative religion say shit makes them believe that the child they're given should stay that way. Even if transgender treatment ~~was~~ was considered and tested during my time, I know how the situation would have turned out. My mother would not have paid a cent. Children who were able to successfully fake being bi/curious and never enter a tortured purity, those little fags don't know how good they fucking have it. I did it to have parents who could let their child be happy no matter how different it is to their viewpoints or don't agree, or scared of it. They are willing to listen to their children, not the other way around. I did kill to have had those resources in 2007 was the birth of puberty blockers and a newfound ~~discovery~~ for treatment of non-conforming transgender children. 2007 was when I was when it was in the 6th grade. Puberty already hit me. The only reason I could conclude why it didn't bother me too much is that my boobs were small. I thought they'd stay that way forever. My autistic brain can't change in body fuck ~~discovery~~ over now, even if my boobs are still small for the most part. And there I was ~~thinking of~~ thinking of pen and doing surgery on my boy stuffed animal, giving them penises b/c their middle looked like a vagina. No boy should ever have that. I can't change my appearance, I can pretend now it would be by my imagination of a child's playthrough my stuffed animal's ~~penis~~ penis through me.

Toy sex (My imaginary penis.)

I can pretend to be them + do the things boys do experience. My boy self as Tony. My stuffed toy doll is like the toy boy I am in another form. I constructed for him a penis, then got out my girl doll named Ashley who is Tony's long boyfriend. Ashley was represented as my dream girl. I wished to have in real life, and Tony is me, having those intimate relationships w/ a beautiful girl. Tony is also inside and out Ashley is a girl inside and out. Two straight boys who are in full nature of themselves by themselves. I let Tony fuck Ashley in the ass and stuffed Tony's big penis in aggressively into her ass hole. It took several attempts for Tony to put his dick into her vagina because he has a big dick (and was even bigger ~~when he had an erection~~) finally went in and Ashley cried and moaned for a good ten minutes. Tony humped slow and ~~visually~~ on visual sex. In but sex, he humped speedily and hard only grunting w/ all his strength. Then after I fucked Ashley for a good ten minutes (Tony's time). I let her suck my dick and touch his erected penis. After that they wrapped each other in their arms as a 5 or 6 ~~children~~ hugging a tree. They ~~then sat~~ gracefully sat side by side holding hands ~~and~~ surrounded by the scattering of their clothes. I took pictures of their sex positions. My penis was hard for hours Rock hard as a flint stone. Hours making ~~sex~~ porn penises for my boy bears, only to realize I missed the gym cause they closed at 7:30 I was mad already cause I had no work that afternoon. Walked around the mall browsing ~~and~~ + shops at Sparrows and got some kerosene for Tommy, my stuffed lion. I purchased some snacks at ~~the~~ for my car and one sticker I got - A stripper booty illustration w/ "Dar Ass" on it. God, I am such a pervert. I wrote too much time in my fantasies...

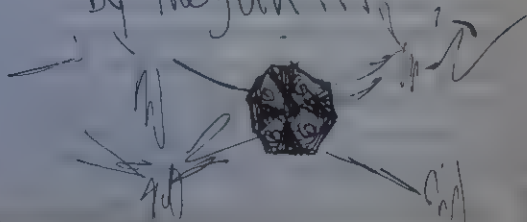

Soon I will leave this world ^{if your friends}

my shot is more confident. I think of you snoring

I did feel that I was, they were my shoes but
spiritually (since #2 + your name is imprinted on the

So no wonder I felt you more in me - made me
feel strong and my passion for ball. Your spirit is so
close to me when I am surrounded by people, places,
and ~~things~~ that were in relation to you. It's weird
feeling knowing I never thought about things like this until
you passed away. Ever since, my thoughts about death

every day + fascinated/curious with the idea of dying tomorrow.
I know its unhealthy, but I just don't care it this anymore.

I've been crying about you all week so far. Anything I do
what I love to do. it brings me back to you. Inccable
community center I've visited since last Saturday and
my heart keeps pulling + tugging my mind to go back tomorrow
and the next day, and so on. I hoped for an hour, worked
out in the weight room for an hour + 20 min, then back to
the gym to watch a basketball camp Anthony was coaching
he see. ... was teaching about ball just like
you were.

... and, out honest only to push his
players in ... basketball is a more mental game
rather than physical. Basketball is a lot like life" was
what stood out to me as Anthony spoke when camp was over.
Mixed feelings. Not just about the boys playing; but
the boys dunking and wishing I was able to do that. I
watch the boys connecting + having fun w/ their friends,
(reminds me being w/ you playing ball in middle school).
One little boy was crying b/c 2 other boys were mean to him.

I watched the pain in his face, the tears in his eyes, the
way he crumbled into a ball + dug his face in. Damn it
reminds me of the kid I was doing just that. And there
Paige was ... so kind + good to me that I forget what I
was sad about. A black former ball girl spoke in a voice
sounded a little like yours. Another black girl who had a

The day has finally come,

3/27/23

I can't believe its here.
Don't know how I was able to get this far,
but here I am.

I'm a little nervous, but excited too.
Been excited for the past 2 weeks.

There were several times I could have been
caught especially back in the summer of 2021.

None of that matters now. I'm almost an
hour or 3 minutes away.

Can't believe I'm doing this,
but I'm ready...

I hope my victims aren't.

My only fear is if anything goes wrong,
I'll do my best to prevent any of the sort.
(God let my wrath take over my anxiety)
It might be 10 minutes tops. I might be
3-7. It's gonna go quick.
I hope I have a high death count.
